20%

Discount

ArvinMeritor

Product Cost & Labor are able to be financed.

With Wirth Financing you pay the monthly bill from your tire budget savings!

*See your ArvinMeritor or
PSI Sales Representative for program details*

Will finance product cost and labor cost—
In a simple affordable finance program.

ArvinMeritor

With a 20% reduction in product cost and an ROI of less than one year your pools & fleets can now afford to retrofit!

ArvinMeritor

THE FINE PRINT

1. Must have good credit.
2. Each deal must be at least \$5000 to \$400,000 each.
3. * Cost of Product (from Dealer or Distributor) + Cost of Installation Labor x number of units to retrofit = Total Cost of Retrofit

Example =

\$600 (product) + \$200 (labor) x 100 (units) = \$80,000

for 36 months with 20% discount and lease to own

\$2829.00 / month ** for 35 months + \$2830.00

That's only \$28.30 / retrofit / month for 36 months

* Estimates may vary by State and Location

** Estimate only for demonstration purposes
